

Additional Information
May 26, 2020 Board Meeting

The following additional information was provided regarding the May 26 Board meeting agenda:

Item 4.a, Waste Hauling Services:

1. Will Ware Disposal provide sustainability audits? **Yes, Ware Disposal has and will continue to audit the District's waste stream. A Diversion Report is provided annually by Ware, which will show the District how much material is diverted from the landfill. Attached is a sample report for review.**

Item 5.a, NOCE Accreditation Mid-Cycle Report:

1. Since the last Board meeting, were there any changes/modifications made to the report? **No changes were made as none were requested by the Board.**

Item 6.a, Academic Personnel, Additional Duty Days @ Per Diem – Spring 2020:

1. What date is the additional days calculated from? **The duty days were those completed prior to the March 16 closure and any additional time continued after the closure. For example, the spring theater production was being rehearsed throughout February and performed one weekend prior to the shutdown. There were also virtual music and dance rehearsals and concerts presented all the way until the end of the semester.**
2. With the Spring athletic season cancelled why additional days for coaches? **The spring athletic competitions started in late January and went until March 13. These duty days cover that time period.**
3. Why just for Cypress College in total? **The Additional duty days for Fullerton College faculty were previously approved by the Board on February 25 (Athletics) and April 28 (Fine Arts).**
