

Additional Information
January 25, 2022 Board Meeting

The following additional information was provided regarding the January 25 Board meeting agenda:

Item 3.a, Purchase Order Listing:

1. P0148829: Please contextualize this purchase. **This is an open purchase order for the Cypress College Aviation and Travel Program to purchase materials for the drone program.**

2. P0149046: Please contextualize this purchase. **The California Community College's Chancellor's Office (CCCCO) started a Financial Literacy Initiative in 2014. Since that time, Fullerton College participated in the initiative by establishing a Financial Literacy Committee on the campus, which Greg Ryan, Financial Aid Director, has chaired. HEFWA (Higher Education Financial Wellness Association) hosts annual summits that Greg Ryan and other members of the committee attend. Last year the HEFWA membership changed to an institutional membership instead of one that is included with conference registration.**

Additionally, Financial Aid uses a software called Cash Course, which is a benefit of the HEFWA membership and recommended for use by the CCCCCO. Fullerton College Financial Aid counselors use the software to make assignments to students they meet with regarding financial wellness. The Fullerton College Financial Aid Department renewed the HEFWA membership to regain access to the Cash Course platform.

3. P0149308: Please contextualize this purchase. **This purchase was a holiday event item included as part of a holiday lunch/end of semester celebration for the Cypress College Legacy Program students. Instead of buying cookies, the College purchased kits for students to decorate their own cookies and take home to their families.**
