NOCCCD Welcomes New Chancellor Dr. Cheryl A. Marshall!

Highlights from her busy first two weeks

Even prior to her start date, Dr. Marshall was a familiar face at many District-wide events, attending the spring "Coffees with the Board and Chancellor," meeting with constituencies, and participating in the hiring of Dr. Greg Schulz as Fullerton College's President.

During her first two official weeks with NOCCCD, she **joined Fullerton College administrators** to discuss the facilities master plan with neighbors and held a **Chancellor's Latino Community Advisory Committee** meeting to discuss pressing matters in our region.

In addition, she welcomed attendees to the July 6 **Baccalaureate Degree Pilot Program Summit** at Cal State Fullerton. The all-day event provided an opportunity for over 160 faculty, staff, and administrators from California community colleges to learn from each other, prepare for upcoming accreditation visits, and continue to develop their curriculum, among others.

Lastly, Dr. Marshall spent an afternoon with SCE Interim Provost Valentina Purtell, meeting with SCE's deans and staff, and **touring the school's three centers and its new North Orange County Regional Consortium (NOCRC) Office** on Euclid Avenue in Anaheim.

To learn more about Dr. Marshall, please visit the [Chancellor's Office](#) portion of the District website. Click on the photos below to view the Baccalaureate Degree Summit and SCE Site Visit galleries.

United Faculty Ratifies Tentative Agreement

Thank you to all who participated in the voting of United Faculty's Tentative Agreement. After ratification from the UF membership, the Tentative Agreement was approved by the NOCCCD Board of Trustees at their June 28 meeting.

The two-year agreement with the District, for the 2016-17 and 2017-18 academic years, is a collaborative effort towards achieving comparable wages and benefits. For specific information regarding the tentative agreement, please contact your UF leadership team.

Educational Services & Technology Welcomes Brian Stern

The District's Educational Services & Technology department welcomed **Brian Stern** earlier this month as the new Senior Research and Planning Analyst. He has over 20 years of experience in education, and most recently served as a research analyst at Cal State Fullerton, where he provided data and decision-making support for the Provost and Academic Affairs, and developed dashboards for the CSU Chancellor's Office to monitor students' success.

He earned his bachelor's degree in social work from San Diego State University, a master of social work degree in social welfare, and is currently working on his Ph.D. in higher education administration from the University of Phoenix.

Pokémon Go Comes to NOCCCD

While some may argue that it's just a game, for a Fullerton College student and his friend, Pokémon Go was an accidental way to [help police arrest a man!](#)

At SCE's Cypress Center, the game pays tribute to former DSPS (now DSS) Director **Dr. Kim Bartlett**, by showcasing her memorial as a "Poké stop."

And at the Anaheim Campus—aka "NOCCCD Triple Flame"—you never know what or who you'll find in the hallways.

Read this [Vox.com article](#) for an explanation on the "augmented reality" game that is sending the masses outdoors, glued to their cellphones in search of the elusive Pokémon.

Don't Forget to Enter Our #SummerSelfie Photo Contest!
