Help Needed!

Join our campuses in giving to students in need, our troops, and families this holiday season.

Cypress College Thanksgiving Baskets

Non-perishable items and monetary donations are being collected by the Cypress College Associated Students through November 18. Students will spend the week of Thanksgiving buying turkeys and assembling Thanksgiving dinner baskets, to give to their fellow students in need.

To donate or for more information, please contact Becky Rojas at rrojas@cypresscollege.edu.

Fullerton College Military Care Packages

It's not too late to donate items to the Veterans Resource Center's Military Care Package Drive. Personal hygiene items, new socks, and thank you notes are just a few of the many items you can drop off at the VRC, Room 518. Click [here](#) to see a complete list. You can also sign-up for the Packing Party on November 18, in the VRC, starting at 8 a.m.

To sign-up or for more information, contact the VRC at (714) 992-7102 or veterans@fullcoll.edu.

School of Continuing Education Breakfasts

Help SCE faculty and staff cook breakfast for families at the Ronald McDonald House, December 12-16. Teams of 10 each day will volunteer their morning to cook a hot meal for families with children in local area hospitals.

Contact Dennis Davino at ddavino@sce.edu for more information or to join a team.

Inaugural Workforce Development Summit a Success

In response to California's Strong Workforce Initiative, close to 100 career technical education (CTE) faculty, staff, and administrators from throughout the District gathered together on October 21 to discuss **new** CTE program opportunities and ways to **enhance** and **expand** current offerings.

This inaugural Strong Workforce Summit addressed key strengths of our CTE programs, such as high quality faculty and high job placement rates. Needs were also identified, including facilities and equipment upgrades, alumni tracking, and a mentorship program.

NOCCCD received a Strong Workforce Initiative allocation of \$3.7 million from the State for the 2016-17 academic year, which must be spent by January 31, 2018. Proposals are being developed at the campus level for a District-wide workgroup to review. Based on these proposals, a District-wide plan will be submitted to the State Chancellor's Office for approval.
