

NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT JOB DESCRIPTION

Job Title:	Manager, Systems Technology Services	Range: 19 (CL)	Management Schedule
Date Revised:	February 8, 2008; May 11, 2017	Date Approved:	July 23, 2002
THIS IS A DESIGNATED CLASSIFIED MANAGEMENT POSITION SUBJECT TO A SIX-MONTH PROBATIONARY PERIOD			

PRIMARY PURPOSE

This position is responsible for the development and implementation of technical and automation solutions for complex network and software systems.

ESSENTIAL FUNCTIONS

Examples of essential functions are interpreted as being descriptive and not restrictive in nature.

1.	Plans, organizes and manages the day-to-day operations of the campus network environment, including switches, routers, firewalls, fiber and copper cabling, and related configuration and security considerations.
2.	Plans, organizes and manages the day-to-day operations of the instructional computing environment, including servers, databases, storage arrays, and related software applications.
3.	Plans, organizes and manages the design, development, implementation, and support of integrated technical software solutions for approved designs using standard methodologies, and provide the results for acceptance testing.
4.	Manages the technical equipment and software to production quality (high reliability and availability) standards to include hardware, software and campus networks.
5.	Coordinates problem determination and problem resolution for complex systems or environments and support fixes, changes, upgrades and related functions as needed.
6.	Compiles, reviews and analyzes information relating to technical resource operations and prepares reports, summaries and recommendations as required by organization activities.
7.	Coordinates communication with other campus organizational entities as well as with District organizations and campuses; provides technical assistance and guidance; conducts staff meetings, design reviews and project meetings as required.
8.	Maintains current knowledge of technical advances in hardware/software procedures and methodologies, and exchanges knowledge with vendors, campus and District personnel, and users to ensure efficient functions and to resolve issues.
9.	Organizes, attends, or chairs a variety of administrative and staff meetings as required; serves on committees and special projects as assigned; coordinates programs and services as appropriate with other District and college personnel.
10.	Trains, supervises, evaluates and directs the work of personnel as assigned; participates in selection and hiring processes.
11.	Plans, organizes and arranges appropriate training and staff development activities; provides orientation for new employees.
12.	Learns and applies emerging technologies and advances (e.g., computer software applications) as necessary to perform duties in an efficient, organized, and timely manner.

**NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT
JOB DESCRIPTION**

13.	Provide leadership in District/College efforts to increase the diversity of faculty and staff, to address student achievement gaps, and in the creation of a welcoming and inclusive work and educational environment.
14.	Assist and promote the growth and success of a diverse population of students and employees through the development of interculturally competent and equity minded management and leadership abilities. The ideal candidate should have experience in this area with African Americans, Latinx, Native Americans, Pacific Islanders and other disproportionately impacted students and employees.
15.	Performs related duties as assigned.

OTHER FUNCTIONS

WORKING RELATIONSHIPS

The Manager, Systems Technology Services maintains frequent contact with senior administrators and technical management, instructional services personnel, District technical personnel, vendors, consultants and contractors.

EDUCATION AND EXPERIENCE

Minimum Qualification

Possession of a bachelor's degree in information/computer systems or related field and three years supervisory experience in a technical environment. Graduate courses or advanced training desired.

Commitment to diversity. All applicants must have demonstrated sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, gender, gender identity, sexual orientation, and ethnic backgrounds of community college students, faculty and staff. The applicant must be able to demonstrate how their experience with these factors relates to successfully achieving the goals of the position.

Desirable Qualifications

Prior experience in approaching work and interactions with colleagues and/or students in an equity minded manner. Ability to provide an inclusive and welcoming work/educational environment.
