

## NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT JOB DESCRIPTION

Job Title:	Multimedia Systems Specialist	Range:	40
Date Revised:		Date Approved:	April 8, 2003

### PRIMARY PURPOSE

This position is responsible for maintaining and repairing multimedia systems that use a combination of computers, media and video equipment; and providing technical expertise, training and assistance to faculty and staff.

### ESSENTIAL FUNCTIONS

*Examples of essential functions are interpreted as being descriptive and not restrictive in nature.*

1.	Performs a variety of skilled and technical duties related to the troubleshooting, repair and adjustment of multimedia systems and other electronic equipment.
2.	Performs regular and preventive maintenance on television monitors, videocassette recorders, video cameras and other media equipment.
3.	Assures the proper installation of video equipment and other analog and digital media systems; develops and recommends the integration of multimedia systems.
4.	Communicates with a variety of District departments and personnel to provide technical expertise and recommendations.
5.	Creates audio and video masters for duplication in both analog and digital formats; duplicates videos, CDs and cassettes for distribution and classroom use; shoots and edits video productions using non-linear computer software and accompanying computer and media equipment; provides support for video production, television and cable operations as assigned.
6.	Operates a variety of specialized tools, test apparatus, test patterns, jigs and other equipment; refers to service literature, manufacturer's manuals and schematics to diagnose and isolate electronic equipment and malfunctions and failures.
7.	Provides technical assistance and expertise regarding equipment purchases; orders replacement components as needed.
8.	Evaluates equipment to determine whether to repair in-house, send out, or surplus.
9.	Delivers, assembles and installs instructional media equipment; assures that multimedia systems are properly installed and functioning correctly.
10.	Prepares and maintains a variety of records and reports related to parts and equipment inventory and the repair, modification or replacement of existing systems and components.
11.	Trains and provides work direction and guidance to others as directed.
12.	Learns and applies emerging technologies and advances as necessary to perform duties in an efficient, organized, and timely manner.
13.	Prior experience in approaching work and interactions with colleagues and students in an equity minded manner. Ability to provide an inclusive and welcoming work/educational environment.
14.	Participate in District/College efforts to increase the diversity of faculty and staff and to address student achievement gaps; active assistance in the creation of a welcoming and inclusive work and educational environment; attend and participate in diversity, equity and inclusion trainings and events.
